Welcome to Copa Farmers Market!

Our “Mission Statement” To bring the community together, supporting small and local businesses that provide a unique product or service that enriches the lives of our community”

We are super excited about bringing this back to our great City of Maricopa. As many of you have seen us grow in the past several years this is just what our community has been missing. We want to bring to the community a diverse range of opportunities for our vendors to promote their business and bring your creativity to share with each other.

Central Arizona College - Maricopa is an amazing place to have our market with all the flexible outdoor space and even available indoor space for our summertime. The Copa Farmers Market is a Private Entity and shall have full rights and determines whether a vendor is eligible or ineligible to participate. It's solely at the discretion of the market organizer. The Copa Farmers Market's provides a diverse selection of high-quality, locally produced goods. Vendor participation is limited to those selling agricultural products, handmade goods, or food items that align with the Copa Farmers Market's purpose. Vendors that wish to use their space for non-sales, advocacy, proselytizing, political campaigning, non-profits, or distribution of non-commercial or non-farmers market materials will be solely at the discretion of the manager. No signage, literature, or promotional materials unrelated to the vendors approved goods may be displayed or distributed. Decisions regarding vendor acceptance are at the sole discretion of market management and are final. This approach ensures the policy is content-neutral (focusing on the types of goods allowed rather than banning groups based on identity or beliefs). It reduces legal risk while still achieving the Copa Farmers Market's goal of limiting certain non-profits and other organizations. Space is limited and available on a first come first serve basis, we cannot guarantee that everyone will be approved.

All sales must be of tangible goods and related to the Copa Farmers Market's core mission. The market reserves the right to decline or revoke vendor participation for businesses or organizations whose primary purpose is not aligned with the sale of products that fit within the Copa Farmers Market's commercial scope.
